

Are You OK?

Presented by SBC21

Nov. 15 | 6pm | ONLINE

**STRENGTHENING
THE BLACK
CHURCH**

IS IT WILL WELL WITH YOUR SOUL?

You are invited to join us for time with a Christian therapist who will speak to our conference about signs of mental unhealth and provide a space for clergy and laity to engage in conversation and learn more about tending to this crucially important area.

On the registration form there is an area that asks if you have any concerns that you would like to have addressed during the webinar. Responses received prior to Nov. 7th will be able to be addressed, after that they may not be. So, register early so your concerns can be included in the session.
